MEDICAID ALERT

TO: All Providers

SUBJECT: 2019 Provider Revalidation: Group 2

The South Carolina Department of Health and Human Services (SCDHHS) is beginning 2019 provider revalidation.

In the [bulletin dated April 20, 2015](#), providers were informed their enrollment information must be revalidated, per the Centers for Medicare and Medicaid Services (CMS). To avoid risk of termination in the SCDHHS Healthy Connections Medicaid program, impacted providers must complete and submit an enrollment application 30 days from the date of their official revalidation notification letter. Providers **should NOT** begin the revalidation process until they receive notification. The notification contains pertinent information needed to start and complete the revalidation process.

In addition, the enrollment application fee is **ONLY** applicable to providers that CMS has identified as institutional providers. The application fee must be collected before a revalidation provider enrollment agreement is received, unless the provider is already enrolled in Medicare, enrolled in another state's Medicaid or Children's Health Insurance Program (CHIP) program or submitted and received approval for a Hardship Waiver request. South Carolina Healthy Connections Medicaid recognizes and enrolls the following institutional providers:

Ambulatory Surgery Centers, Community Mental Health Centers, Comprehensive Outpatient Rehabilitation Facilities, Durable Medical Equipment, End Stage Renal Disease Facilities, Federally Qualified Health Centers, Home Health Agencies, Hospices, Hospitals, Independent Clinical Laboratories, Pharmacies, Skilled Nursing Facilities and Rural Health Clinics.
